Dear Parishioners,

Due to our ever-growing parish and the needs of its smallest members, we are opening the St. Francis Room on Sundays during Masses.

There will be "livestream" video available as well as a speaker that gives almost to the minute the timing of what is happening during the Mass. We ask parents of young children to utilize this space when they need it.

The "new back pews" found opposite of the choir pews, will continue to be reserved for the priority use of parents with children as well. However, we ask that you be mindful of the microphones.

We thank you for your continued patience as we endeavor to fulfill the needs of our Parishioners.

God bless,
Fr. Augustine
